these data a detailed chronology (timeline), a historical narrative, a list of actors and the overt role they
played, a list of unanswered questions, and a list of answered questions were developed. this information was
ch/ th 682 - the black christian experience: from africa ... - 3) reflection on armando lampe's christianity
in the caribbean (due in class 10/18) as you engage this collection of essays, what is most profound in your
learning experience relative to christianity in the caribbean? why do you imagine the christian witness in the
caribbean is often missing from the historical narrative? **champlain and the hudson valley** - narrative of
one voyage he made to the caribbean and eight out of the eleven voyages he made to canada and new
england. the historical value of the book is questionable in certain areas because one must take into account
the audience the book was written for. although champlain was predominantly concerned with finding a
northwest passage, he
