I have a 93 XG Gli, running duel fuel. This is my first car and aside from this ute all i have worked on mechanically have been a VW Golf and Beetle, as well a 69 Mini. None of those car have been very complicated but now i have a problem with the ute that has got me totally stuck. The car is not running on either fuel or gas and in fact wont ...

XG wont start and has no spark - www.fordmods.com

Just done the same, Pretty easy but took me most of the week to get it done around work. My sway bar spacers are made out of 1" RHS 2.5mm wall and I just cut the notches with the angle grinder and cleaned up the edges with a file then drilled the hole through them and got some longer bolts, dead easy
