
Two Dianas Alaska Herbert Agnes

the hunter elite - muse.jhu - of women, based on two assumptions. one is that, if men were going into the woods to rediscover their manliness, then they must have been, to some extent, fleeing women (this in turn requires the woods to be female-free). the other assumption is that there was in fact something manly about going **mary zeiss stange - skidmore** - "foreword," two dianas in alaska by agnes herbert and a shikari, originally published by john lane, new york and london, 1909 (2004).
